	Students will learn to describe their plans for later life, including jobs they would like to do and personal goals.	Students will learn to describe what they intend to study in the future and where.	Students will learn to talk about current issues in society, and describe what they feel it is important to do.	Students will learn to talk about famous people that they admire and why. They will also be able to talk about how they identify with them.	Students will learn to use reflexive verbs to describe their daily routines in the present and perfect tenses.	Students will learn to talk about any illnesses or ailments they may have and for how long they’ve had them, as well as what they do to try and live a healthier lifestyle.	Students will learn how to describe the area that they live in, including what facilities are available. They will learn to use the negative structure, as well as the imperfect to say what there used to be.	Students will learn to describe how they travel around town. They will also learn the conditional structure, to describe what they would do if they had certain things.	Students will learn how to ask for and give directions, should they ever be lost in a French speaking country.			
Year 10	Diviértete		Viajes		Mi Gente, Mi Mundo		Mi Estilo de Vida		A Clase		Mi Barrio y Yo	
	In the first GCSE module, students will learn to describe what they do during their free time, as well as online life and arranging to go out. They will look at the present tense of regular and irregular verbs, the near future tense, the negative, and the perfect tense.		Students will then learn how to talk about travel plans, talking about festivals in the Spanish speaking world, and describing holidays. Students will look at the comparative and the superlative structures, and talk about holidays in different tenses.		Students will learn how to describe others in the third person, as well as how to talk about those that you admire. Students will also learn how to talk about friendships and relationships, and your own personal identity.		Students will learn to discuss food, as well as healthy and unhealthy options. They will discuss what they eat at different times during the day, as well as good mental health, illnesses and accidents, and things to do to improve your wellbeing.		Students will learn how to describe a typical day at school, including describing studies, teachers and students. Students will also learn how to discuss what you would change at school. Using the past tense, students will also describe a school trip in the past.		Students will learn how to talk about the area in which they live, as well as other cities and places that they have visited. Students will also look at describing what a city or town used to be like, and give preferences about where they like to live.	
Year 11	Trabajar		El Mundo		Revision		Revision		Exams			
	Students will learn how to discuss different types of job and job sector. They will learn how to describe the different skills that you need for different jobs, and also how to apply for a job in France. They will discuss what they would like to do in the future after school.		Students will learn to talk about things that concern them in the world. They will also learn to discuss environmental issues, and what they can do to help protect it. They will also look at global events such as the Olympic Games.		Students will use this time to revise key concepts, structures, vocabulary and exam technique in order to best help them prepare for their exams.		Students will use this time to revise key concepts, structures, vocabulary and exam technique in order to best help them prepare for their exams.
