

## YEAR 11 BULLETIN

Friday 22nd March 2024

#### A significant milestone for Year 11

This afternoon marked a significant milestone for our Year 11 students, as they received their final PPE results before their GCSE exams. We are incredibly proud of the hard work and dedication they have demonstrated in this last round of PPEs. Witnessing their hard work pay off in the results brought great pride and joy to many of our students, although we acknowledge that not all

were met with the outcomes they hoped for.

It is now crucial that these results are not viewed as an endpoint for any student, but rather as an important opportunity for reflection and further development as they head into the final weeks before the GCSE exams. We encourage you to have a conversation with your child about their PPE results; celebrate their achievements and support them in addressing areas for improvement. Your support in ensuring your child continues to maintain 100% punctuality and attendance, along with daily revision and engagement in extra revision sessions, remains critically important.

This coming Monday, we will be holding a reflection assembly for Year 11 to discuss today's results and support students in channelling any disappointment into a positive drive for success.

Please look out next week for a letter that will detail our Easter school revision sessions for Year 11, in addition to outlining plans for the upcoming term, which includes a Year 11 parent event.

As always, we are here to support our students and families. Should you have any questions or concerns, please do not hesitate to contact us.

**Miss S Coupland, Assistant Headteacher – Student Outcomes** (scoupland@orchardparkhigh.net)

Miss J Walsh, Head of Year 11 (jwalsh@orchardparkhigh.net)

#### Line-up shout outs!

Every day at lunch time line—up, we celebrate the Year 11 students who have been nominated by their subject teachers for brilliantly demonstrating one of our school values: excellence, integrity, collaboration, drive. Students receive a chocolate bar (and a round of applause from the year group!).

Year 11s who have received individual nominations this week:

- Manoah (Biology collaboration nominated by Miss Friday)
- Favour, Andra, Katelyn (English excellence nominated by Ms Moran)
- Ketsia, Lacey, Annalie, Ellen, Tianna, Teagan, Serena, Angel, Carly, Kadeeshia, Elena (Dance – excellence and collaboration – nominated by Ms Ongley)
- George B (Maths drive nominated by Mr Busuttil)

# Treasured memories

Year 11 dancers sat their final component 3 practical exam last week, during two very intense days of examination. The students had to choreograph their own responses to a brief with the title of *Treasured Memories*. The two groups worked incredibly hard during their exam and produced detailed and very well considered pieces that demonstrated a mature response to the brief.

The dancers then performed these for an audience of Year 7s who left very inspired by the work they produced. Assistant Headteacher, Ms Ongley, said: "It was a genuine pleasure to watch the class approach their exam with such focus, commitment and enthusiasm for their learning and the whole group were celebrated during our Friday afternoon shout out."
