

ORCHARD PARK HIGH SCHOOL EXCELLENCE PATHWAY: A BETTER CHANCE OF SUCCESS

Orchard Park's pathway of excellence offers regular and specific developmental experiences to raise the aspirations of our students, especially those that are disadvantaged or high attaining. Students engage in a series of activities offering them opportunities to be creative, be aspirational for themselves and develop a love of learning beyond the classroom.

15 students are recruited from each year group, through the process of submitting a written application. These students then have a range of activities and experiences to complete through the year. This road map outlines the opportunities that these students will be offered – covering music, art, sport, literature, careers and a wide range of visits and guest speakers.
