

# PERSONAL DEVELOPMENT

## Summer Term 2026

### Year 10

Dear students and families,

At Orchard Park High School, in addition to a broad academic and character curriculum, every one of our students has the opportunity to experience a wealth of personal development activities. This newsletter contains useful information about the provision for your child this term. We will send this to all families at the beginning of each term.

**Head of Year 10, Mr S West**

## The importance of PSHE in our students' personal development

At Orchard Park, PSHE (Personal, Social, Health, and Economic education) remains a vital cornerstone of our students' developmental journey. It is far more than just a brief supplement to the academic timetable; rather, it serves as the essential framework through which we empower our students to become well-rounded, empathetic, and forward-thinking individuals.

By equipping them with a toolkit of essential life skills, we ensure they are thoroughly prepared to navigate the complexities and nuances of modern life with both confidence and steadfast integrity.

PSHE provides the necessary tools for students to manage their personal wellbeing and make informed, ethical decisions.

Embedded throughout our broader curriculum, PSHE aligns with our core values of drive, collaboration, excellence, and integrity. This term, our PSHE curriculum focuses specifically on 'Living in the Wider World'. In these sessions, students will explore

their place within an interconnected global community, learning about the weight of social responsibility and the rich diversity of the world around them. We encourage them to think critically about their rights and responsibilities, helping them to grow into active, positive contributors to society who understand the value of democratic participation and the rule of law.

This specific focus helps students understand the tangible impact of their actions on others and the environment. By exploring themes of community, careers, and global citizenship, we challenge them to lead with empathy and mutual respect.

At Orchard Park, PSHE is not merely about passing exams. It is about preparing students for a future where they can excel with accountability and a strong, personal sense of purpose. We remain dedicated to empowering our young people to live by our shared values and to contribute meaningfully to the world they are set to inherit.

**Mr D March, Assistant Headteacher**

## House information

Fun Friday takes place every Friday lunchtime. Join in and collect lots of House points.

## Key dates

### Assemblies for Year 10

**23rd April**

Year group assembly – Goal setting  
Integrity
